

Borrower Direct Marketplace Lending Platform Borrower Features

- Access multiple lenders (up to 10) with one application. This is the most robust lender platform in the industry.
- Loan amounts from \$1,000 – \$40,000.
- Term as long as 60 months for most affordable monthly payments.
- No penalty for early payoff or pay down.
- Prime to Sub-Prime Credit invited to apply.
- Interest rates start at 5.99%.
- Decisions within seconds of application.
- Funding in as little as 24 hours.
- Check your rate with no impact on your credit (soft credit pull creates no inquiry).
- Improve your credit rating (using a credit card for a major purchase will impact your credit because a significant determination of credit score is outstanding balances compared to available credit).
- Access additional funds in same loan for other purposes (pay down debt, vacation, another major purchase, etc.).
- Easily access platform from Any device
