

How to Help Your Customers and Sell More with Flexxbuy:

- » Offer the Flexxbuy repair finance program with 60 Days Interest Free to every customer who may have a ticket over \$350
- » Reference the other side of this card for monthly payment examples
- » Use Flexxbuy as a tool to reduce declined service and increase ticket size
- » Customers apply online
- » In minutes, you'll receive a credit decision

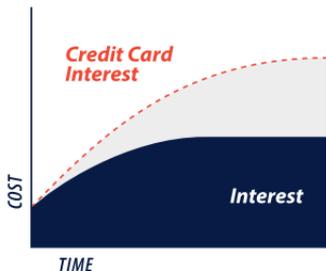

Program Basics:

- » 60 Days Interest Free available to all approved customers
- » Approvals for customers with varying credit types
- » Flexible loan terms (12-36 months) - This is not a credit card
- » Customer must be at least 18 years or older, have a valid email address, and reside in a state where lender is licensed to do business

Required for Funding:

- » When the repair is complete, log in to portal
- » Complete the repair checklist to generate the customer loan document
- » Ensure the customer has e-signed their loan document
- » You will receive a confirmation email and see status updated

DO NOT RELEASE THE VEHICLE until the customer has e-signed their loan contract and you have retained a copy of their signed RO and valid ID.

Simple vs. Compound Interest

Simple interest is only applied to the amount you borrow, not compounded on the interest itself. We leave compound interest to the credit card companies and our competition.

* All estimated payments are based on the maximum term allowed and average interest rate. Loan amounts include origination fees. Actual payment amounts will vary depending on customer qualifications. Loan amounts and interest rates vary by state in accordance to local lending laws. The 60-Day Interest Free Program applies to approved customers who pay off their entire loan within the first 60 days, on time with no missed payments. The Simple vs. Compound Interest graph is based on a minimum payment on a Credit Card compared to a fixed payment on a loan.
