

## INCREASE CLIENT ACCEPTANCE

Offer a pay-over-time option and create additional revenue today.

### Guaranteed Program

#### MORE REVENUE

Flexible payment options give your patients access to services they want now, but might otherwise forgo.

#### PAYMENT GUARANTEE

When your client cannot pay, we will make the payment for them. That way, you get paid. No matter what.

#### 100% APPROVAL

All applicants are approved for a Payment Guarantee. Best of all, there is zero impact to your client's credit.

### HOW DO YOU OFFER THIS?

When Your Patient Can't Pay With Credit Card Or Cash And Is Not Able to Get Approved Through Third Party Financing Options

Just ask your client:

"Would our payment plans be a better option for you?"

### WHAT DOES THIS COST?

There are no additional costs to offer to add **EZPay Plan to your Flexxbuy product line**

You decide when to use it and you only pay a discount upon successful sales utilizing the program

Payments are automatically deposited into your account and you will receive 100% of the payment amount, less a transaction fee

### EXAMPLE...

- 1** Your patient needs services that cost **\$1,000** and you mutually agree to a term of **10 months**
- 2** Your patient makes initial payment to Flexxbuy processor *(which varies between tenpercent (10%) to twenty percent (20%) of the contract amount, and the average amount is 10% or \$100, in this example)*
- 3** Patient makes **10** monthly payments of **\$100 per month**
- 4** You receive **\$95** per month deposited directly in your bank account *(\$100 payment less a 5% fee; similar to what you currently pay to process a credit card)*
- 5** You receive **\$950** guaranteed for the **\$1,000** of service you provided
- 6** Your patient pays **\$1,100** for the convenience of payment-over-time
